

Standard Operating Procedure (SOP)

Workday Go-Live Process Guide

Document Title: Workday Go-Live Standard Operating Procedure (SOP)

Department: All NJIT Departments

Version: 1.0

Effective Date: July 1 (Go-Live)

1. Purpose

This Standard Operating Procedure (SOP) provides step-by-step instructions for employees, managers, and department administrators on using Workday during and after the Go-Live period. It explains system access, navigation, approvals, delegation, support resources, data migration expectations, and key operational policies.

2. Scope

This SOP applies to:

- Faculty
- Staff
- Managers
- Department Administrators
- Payroll Approvers
- Grant Managers
- HR Personnel
- Anyone using Workday for daily business operations

3. Prerequisites

Before using Workday, users should:

- Have an active NJIT account.

- Bookmark the Workday website.
- Bookmark the Nexus Workday Knowledge Base.
- Install the Workday Mobile App.
- Enter the Organization ID: **NJIT** during setup.
- Review available job aids and training videos in Nexus.

4. Step-by-Step Procedures

Step 1: Access Workday

1. Open Workday using:
 - Direct Workday URL, or
 - Pipeline Workday link.
2. Bookmark the page.
3. Log in using NJIT credentials.
4. Become familiar with the home page.

Tip: The search bar at the top of the home screen is the fastest way to locate tasks, pay slips, leave balances, employees, or reports.

Step 2: Access Training Resources

Navigate to the **Nexus Workday Knowledge Base**.

Available resources include:

- Job aids
- FAQs
- Glossary
- Training videos
- Step-by-step instructions
- Functional hubs

Examples:

- Finance

- Human Resources
- Grants
- Navigation

Search the Knowledge Base before requesting assistance.

Step 3: Complete Personal Self-Service Tasks

Employees can perform many updates independently.

Examples include:

- Update home address
- Update emergency contacts
- View organization chart
- View pay slips
- Check leave balances
- Request time off
- Approve expense reports

Exception

Physical work location changes must be completed by the employee's manager.

Step 4: Use the Workday Mobile App

Install the Workday app.

The mobile app supports:

- Time-off approvals
- Expense approvals
- Viewing employee information
- Self-service updates
- General Workday access

Users may configure the app before Go-Live, but live transactions are available only after system cutover.

Step 5: Request Time Off

Salaried Employees

- Submit all leave requests directly in Workday.
- View leave balances in Workday.

Hourly Employees

Continue entering hours using the existing process.

Student Employees

Continue time entry using current procedures.

Important

Bi-weekly Banner leave reports for salaried employees are no longer used.

Step 6: Understand Data Migration

Data has been migrated from Banner into Workday.

Some inaccuracies are expected, including:

- Incorrect office locations
- Name discrepancies
- Other profile information

Employees should:

1. Review personal information.
2. Correct information that can be edited.
3. Notify the manager if the physical work location is incorrect.

Payroll accuracy is the highest priority during the initial Go-Live period.

Step 7: Complete Approvals

All transactions require approval.

Examples include:

- Expenses
- Procurement requests
- Invoices
- Payroll accounting adjustments
- Journal entries

Grant/Program/Project/Gift (PPGG) Managers have approval authority for applicable transactions up to **\$10,000**.

Step 8: Use PPGG Instead of Banner Indexes

Banner indexes have been replaced with PPGG:

- Program
- Project
- Gift
- Grant

Users can search by:

- Principal Investigator (PI)
- Ledger
- Account
- PPGG value

Step 9: Set Up Delegation

If taking vacation or leave:

1. Open Delegation in Workday.
2. Select delegation dates.
3. Choose the delegate.
4. Select:
 - Specific tasks, or

- Entire inbox.
5. Submit.
 6. Supervisor approves delegation.

Important

Delegating the entire inbox provides access to all incoming items, including personnel information.

Choose delegates carefully.

Step 10: Seek Support

Always follow this support order.

Level 1

Search Workday.

Level 2

Search Nexus Knowledge Base.

Level 3

Use Hypercare Zoom Room.

Level 4

Visit IST Service Desk.

Level 5

Contact Help Desk.

Level 6

Issue escalated to Subject Matter Experts (SMEs).

5. Hypercare Support

During Go-Live, additional support is available.

In-Person Support

Location

Van Houten Library IST Service Desk

Hours

11:00 AM – 1:00 PM

Zoom Support

Available:

- July 1–2
- July 6–9

Hours:

8:30 AM – 4:30 PM

6. Key Rules and Policies

Payroll

- Payroll processing is the highest priority during Go-Live.
- Minor profile issues may be corrected later.

HR Blackout

Personnel transactions cannot be entered during the temporary HR blackout.

Expected reopening:

- Around July 8
- Possibly July 6

Retroactive entries may be entered once HR reopens.

Delegation Policy

Delegation:

- Is temporary.
- Requires supervisor approval.
- Should be assigned only to authorized personnel.
- Must be tracked using the Nexus Security Access Request Form.

Security Roles

Security assignments will continue to be updated.

Grant managers and other specialized roles will receive additional communications.

Adjunct Employees

Adjuncts paid within the last year will be migrated into Workday.

Adjuncts not converted must be rehired through recruitment.

HR will provide additional timelines.

7. Best Practices

- Bookmark Workday.
- Bookmark Nexus.
- Learn to use the search bar.

- Use self-service whenever possible.
- Review your employee profile after Go-Live.
- Watch available training videos.
- Read Project SPARK communications.
- Share updates with department members.
- Stay informed during Hypercare.

8. Common Issues and Solutions

Issue	Possible Cause	Solution
Cannot find a task	Search not used	Use the Workday search bar
Personal information incorrect	Banner migration	Update editable fields or contact your manager
Physical location incorrect	Manager-only field	Ask your manager to update it
Cannot enter personnel changes	HR blackout	Wait until HR reopens transactions
Approval not moving	Missing approver	Verify routing or contact Help Desk
Unsure how to complete a task	Lack of familiarity	Search Nexus job aids or videos
Need immediate assistance	Complex issue	Use Zoom Hypercare or visit the IST Service Desk

9. Quick Reference

Workday Access

- Direct URL or Pipeline
- Bookmark Workday

Mobile App

- Organization ID: **NJIT**

Self-Service

- Address
- Emergency contacts
- Pay slips
- Leave balances
- Time-off requests
- Expense approvals

Manager Responsibilities

- Update physical work location
- Approve delegations

Support Order

1. Workday Search
2. Nexus Knowledge Base
3. Zoom Hypercare
4. IST Service Desk
5. Help Desk
6. Subject Matter Expert

Key Dates

- **June 30 – July 1:** Go-Live transition
- **July 1:** Workday Go-Live
- **July 1–2 & July 6–9:** Hypercare support
- **Around July 8 (possibly July 6):** HR blackout ends

Important Reminders

- Payroll is the top priority during Go-Live.
- Expect some migrated data inaccuracies.
- All approvals require authorization.

- Use PPGG instead of Banner indexes.
- Submit time-off requests in Workday.
- Use Nexus resources before requesting support.
